1) Introduction by the Head Teacher

Douglas Primary School is one of 124 primary schools throughout South Lanarkshire Council.

South Lanarkshire Council is the fifth largest authority in Scotland. It covers the following main areas; Clydesdale in the south which features extensive rural areas, Cambuslang, Rutherglen, Blantyre and Uddingston to the north as well as the towns of East Kilbride and Hamilton.

The Council's Plan Connect sets out the Council's vision which is, "to improve the quality of life for all within South Lanarkshire".

For Education Resources this means delivering services of the highest quality as well as striving to narrow the gap. It is about continually improving the services for everyone at the same time as giving priority to children, young people, families and communities in most need. The priorities for schools and services are set out in the Education Resources Plan which confirms the commitment to provide better learning opportunities and outcomes for children and young people.

At Douglas Primary School and ELC we strive to uphold the Council's vision and commitments.

Welcome

A warm welcome is extended to you from all at Douglas Primary School. The team within Douglas Primary and ELC are committed to providing a happy, safe and stimulating environment for your child to grow and learn in. The ethos and culture of our school is one of our key strengths. We pride ourselves on our positive and friendly ethos that extends to all within the school and the local community.

Our recent stakeholder survey identified our innovation and drive and the excellent nurturing relationships we have. We work very hard at creating and maintaining positive partnerships to uphold our school vision and values and to provide the best educational experience possible for our pupils.

At Douglas Primary School and ELC our vision is for our school to be at the centre of the community, providing education, care and support to all. Within the school we will always strive to provide a happy, safe and friendly learning environment where everyone is respected and included.

Our school values are **positivity, friendship, trust, respect, determination**

Our school rules are: **respect yourself, respect others, respect property.**

At Douglas Primary School we operate an open door policy. We believe that strong partnerships are the key to raising attainment and achievement throughout the school. Therefore we would ask that if you ever have any questions or queries to contact us. We would be delighted to hear from you and work with you in order to fully meet your child's needs.

Head Teacher

2) COVID-19 – Keeping children, young people, and staff safe

At the time of writing this guidance for the Handbook the Scottish Government and Public Health guidance still applies to schools and educational settings until further notice.

On the 19 October 2021 the Scottish Government announced that the existing COVID-19 safety mitigations in schools and educational settings are to remain for now, following the advice from senior clinicians. It is worth noting that whilst for the general public a number of areas have changed in light of the roll-out of the vaccination programme, there continues to be restrictions in place for schools and educational settings. The public health message is that the safety of children and young people and all education staff, remains the overriding priority. Secondary aged pupils are expected to wear face-coverings and to undertake twice weekly lateral flow tests.

Our main focus remains on learning, teaching and the health and well-being of all learners. Schools/nurseries are adapting their ways of working and outdoor events can now take place without the restrictions that apply indoor. The infection control procedures in our schools such as, hand sanitisation when you arrive and leave, and by washing hands regularly has helped to mitigate against the spread of the virus as has the NHS roll-out of the vaccine to those who are eligible.

If there is a positive case involving a child and/or member of staff at the school then we will let you know by providing you with letter from NHSL Public Health which lets you know what you need to do.

So it is worth noting: -

There are still restrictions on who can visit schools, including parents/carers. In effect, parents/carers are not able to attend events that take place during the day in a school/nursery. Where virtual arrangements for parental meetings are already in place and working well, then these should continue to be used.

Assemblies and large gatherings are still not permissible under the current guidance. Schools are therefore asked to consider group sizes as bringing large groups together in educational settings is not advisable.

Community Lets are allowed out with the school day in line with COVID-19 guidance. If there is an intention to organise events in the evening by a parent group, they are required to make any booking through the community letting procedures as normal. A risk assessment must be undertaken in advance. This is to take account of the mitigations that require to be taken in what will be a confined space, the need for clear access and egress routes, the wearing of face coverings and infection controls, like hand sanitisation.

If a parent group is planning to host an activity then they are asked to be mindful that current restrictions at present still do not enable parents/carers to meet in a large gathering on school premises during the day.

COVID-related mitigations remain under regular review, and the Advisory Sub-Group on Education and Children's Issues and the COVID-19 Education Recovery Group (CERG) continue to work with Ministers to ensure mitigations in schools and educational settings are proportionate and appropriate.

Reporting Absence

It is important for the school to work with parents in encouraging all children to attend school. All absences from school are required by law to be recorded. Absences will normally fall under two categories - authorised or unauthorised absence. In cases where your child is unable to attend school parents are asked to:-

- If you know in advance of any reason why your child is likely to be absent from school, please tell someone at the school, telephone us or let us know in writing. Please also give your child a note on his/her return to school, telling of the reason for absence;
- Notify the school first thing in the morning when your child is going to be absent. Let the School know the likely date of return and keep them informed if the date changes;
- Inform the School of any change to the following:
 - Home telephone number
 - Mobile number
 - Emergency contact details
- Requests for your child to be absent from school to make an extended visit to relatives must be made in writing to the Head Teacher, detailing the reason, destination and duration of absence and arrangements for their continuing education. On some occasions the pupil may be marked as an authorised absentee in the register.

Family Holidays during Term Time

Every effort should be taken to avoid family holidays during term time as this both disrupts the child's education and reduces learning time. If holidays are taken during times when the school is open parents should inform the school in advance by letter.

If your child is taken on a family holiday during term time then in line with the Scottish Government advice this will be classified as an unauthorised absence. However, in exceptional circumstances schools may register a family holiday during term time as an authorised absence when for example, parents are unable to obtain leave during the school holiday period.

Clearly, absence with no explanation from parents will mean that the absence will be recorded as unauthorised.

Contacting the school

If you wish to contact the school we would advise that you phone the school office on 01555 851224 and select the option to speak to a member of staff or alternatively send an email to gw14douglaspsoffice@glow.sch.uk and we will endeavour to reply or contact you as soon as possible.

Parental Complaints

Any parental concerns of any nature should be flagged up to the Head Teacher either by letter, email or by phone. If the Head Teacher is unavailable then a message should be left with the School Support Staff asking for the Head Teacher to return the call as soon as possible. All concerns will be dealt with at the earliest possible opportunity.

If you should feel that the matter has not been dealt with appropriately then advice can be sought, where necessary, from South Lanarkshire Council through the 'Have Your Say', complaints handling procedure. Copies of the guide can be found within the school or send home on request.

Visits to the School

Should you wish to visit the school or ELC at any point then please make arrangements with the Head Teacher to do so. Please note that at present we must follow the Covid-19 guidance in relation to school visits and mitigations on face coverings and social distancing.

4) Parental involvement

South Lanarkshire Council recognises the importance of parents as partners in the education of their child and has published a strategy entitled, 'Making a difference – working together to support children's learning'. This is available from the Council's website:

www.southlanarkshire.gov.uk

Parents, carers and family members are by far the most important influences on children's lives. Children between the ages of 5 and 16 spend only 15% of their time in school! Research shows that when parents are involved in their child's learning, children do better at school and throughout life. Parental involvement can take different forms but we hope you share the same aims and agree that by working together we can be partners in supporting children's learning.

As parents/carers we want you to be:

- Welcomed and given an opportunity to be involved in the life of the school;
- Fully informed about your child's learning;
- Encouraged to make an active contribution to your child's learning;
- Able to support learning at home;
- Encouraged to express your views and involved in forums and discussions on education related issues.

To find out more on how to be a parent helper, or a member of the Parent Council and/or the Parent Teacher Association just contact the school.

Some useful information contacts for parents to find out more on education are as follows:-

- Parentzone – www.parentzonescotland.gov.uk
- Engage Parent Forum – www.engageforeducation.org
- National Parent Forum for Scotland – www.educationscotland.gov.uk/parentzone
- South Lanarkshire Council – www.southlanarkshire.gov.uk

Parent Council

What does the Parent Council do?

The school and the local authority are obliged to listen to what the Parent Council says and to respond to the issues raised. Parent Councils decide such things as:

- how their Parent Council will be set up
- what it should be called (Parent Council or other name)
- what size it should be – e.g. in a very small primary school, all parents could be involved (no limit on size)
- who should be a member of the Parent Council (majority of members must be parents)
- how parents can join and support the school
- how they can work together with the school and pupils to support children's learning

- when the most convenient time is to hold meetings
- What will be discussed at meetings – these might be topics such as school uniform, parking near the school, the school’s anti-bullying policy, etc. However, it should be noted that a Parent Council cannot discuss issues attributed to individual pupils.
- More interesting is how parents can play an active part in helping the school to take forward, Curriculum for Excellence.

Our Parent Council

Chairperson – Ms Yvonne Williams
 Vice Chair – Miss Heidi Strickland
 Treasurer – Mrs Hazel Smith
 Secretary – Mr Rory Stewart

Our Parent Council is a very enthusiastic group who work tirelessly organising events to raise money for school funds, to support learning and school improvement. They are always looking for new members to join or help out with organised activities. If you are interested in joining or helping out our Parent Council may be contacted via email at DPSParentCouncil@glow.sch.uk and further contact information is available on our website.

5) School Ethos

Our Vision

At Douglas Primary School and ELC our vision is for our school to be at the centre of the community, providing education, care and support to all. Within the school we will always strive to provide a happy, safe and friendly learning environment where everyone is respected and included.

Our Values

- Positivity
- Friendship
- Trust
- Respect
- Determination

Celebrating Success – Whole School Assembly

Our weekly assemblies contribute greatly to our positive school ethos and to celebrating our pupil’s achievements. Each week ‘House Hero’ awards are given out to one pupil in each class to celebrate an achievement they have made within the previous week. The focus for the award is related to the 4 capacities within Curriculum for Excellence. These are Successful Learners, Confident Individuals, Effective Contributors and Responsible Citizens.

Wider achievements from outside of school are also celebrated at assembly. Pupils share their experiences and achievements such as swimming certificates, sporting medals and charitable efforts through a monthly ‘Wonder Wall’ assembly. Our ‘Wonder Wall’ is displayed within the main entrance and lists all the achievements of the pupils from Douglas Primary.

On a daily basis children are also given the opportunity to earn a ‘Golden Ticket’. Golden Tickets are awarded to pupils displaying the school values of friendship, respect, determination, trust and positivity. Once in receipt of a ticket the pupil gets to attend a Friday treat of ‘Tea with the Head Teacher’.

Promoting Health and Wellbeing

We have the provision to run a breakfast club every morning, which opens at 8.15 and runs until 9.00am. This club is **free** for all children to attend and is funded by SLC and run solely by volunteers.

During this session numbers have been low at the breakfast club and the provision has changed to a 'toast-to-go' option where children can pick up toast from the canteen prior to going into class at 9am.

Regular review of the club will take place and if demand increases the traditional breakfast club will be reinstated.

Extra-Curricular Activities

We have traditionally offered a range of Extra Curricular Activities within the school in order to provide a rich variety of learning opportunities to promote Health and Wellbeing at all ages and stages. We hope to reinstate the running of these clubs within 2022 in line with Covid-19 guidance. Our previous offer of clubs has included;

- Football Club
- Netball Club
- Homework Club
- Dance Club
- Craft Club
- Athletics Club
- School Choir
- Digital Leaders
- STEM Club
- Outdoor Learning Group
- Nurture Group

Community Links

At Douglas Primary School and ELC we are always striving to make links with the wider community in order to enhance our children's life experiences and learning. Our aim is for the school to be 'The Hub' of the community.

We have established strong links with Lady Home Hospital and Blackwood Court Sheltered Housing Complex. Recent development of our outdoor areas has also seen new links being formed with the ranger from the Mainshill Land Forestry Site and increased participation in local events such as the Flower Show.

Our pupils will regularly be seen out and about in the local community linking in visits to set topics or events throughout the year such as carol singing.

Living Library

Within the school we have created a 'Living Library'. Our vision for the 'Living Library' was to create space that would give access to a range of materials to support learning but also to provide an environment that feels homely and welcoming with soft furnishing and tea and coffee facilities.

The area is used by the children in the school and ELC and can be also by members of the public. Within 2022 we aim to reinstate the use of the library for the public and also to increase the number of events and clubs we have running to promote Family Learning.

House System

We operate a House System within Douglas Primary School in order to motivate our learners to work together as a team and also to achieve high standards in work, behaviour and attitudes.

Our Houses are as follows:

Addison (Blue)
Springhill (Red)
St.Brides (Green)
Welldale (Yellow)

We recruit a House Captain and Vice-Captain each year from P7 or P6 and they lead their House in a range of challenges and events throughout the year. There is also weekly challenges that the children take part in to earn points, these include Healthy Snack checks, House Lines and House Hero Awards. Each week the points are counted and the winning house for the week gets an additional playtime. The overall winner at the end of the school year is rewarded with a special whole house treat.

Sharing Learning and Success

We have a number of methods of sharing our learning and success within the school. We have a school website (www.douglas-pri.s-lanark.sch.uk) that is regularly updated and we also have a School App which you can download to your phone or tablet. The App and website provide reminders of key events that are taking place within the school and share the learning and teaching from each individual class within the school. We have also created a school Twitter page and a closed Facebook group for parents/carers. Details of these can be obtained from the school office.

We have also invested in online Learning Journals in order to develop our ability to share the learning that takes place within the classroom and thus increasing parental knowledge and understanding of the curriculum. The Learning Journals allow the teacher and/or keyworker to share photos/comments with you about what your child has been learning in school. It provides an area for parents to comment on the learning and also to upload any achievements from home.

Outdoor Learning

At Douglas Primary we are blessed to have wonderful grounds that the pupils can use to support their learning and develop their health and wellbeing. All classes have a weekly session of outdoor learning and all staff are encouraged to use the grounds whenever possible to support learning and teaching.

Annual funding provided by the Hagshaw Hill Wind Farm Trust has enabled us to develop our outdoor areas to include a poly tunnel, infant loose parts play zone and a campsite within the

forest area of the school. We have further plans to develop the grounds that will hopefully come to fruition within 2022.

6) The Curriculum

Curriculum for Excellence is the name given to the new curriculum in Scotland for all children and young people aged 3-18. It is a forward looking, coherent, more flexible and enriched curriculum that provides young people with opportunities to engage with the knowledge, skills and attributes they will need if they are to flourish in life, learning and work, now and in the future.

The curriculum includes all of the experiences that are planned for children and young people to support the development of their skills, wherever they are being educated, for example in the family and community, pre-school centre, nursery and school. This broad, general education will allow them to become successful learners, confident individuals, responsible citizens and effective contributors to life in the 21st century.

In taking this forward our school will work closely with South Lanarkshire Education Resources and other services to enable Curriculum for Excellence to be fully embedded, ensuring the best possible education for all children and young people. We wish you to feel confident that your child is encouraged and supported to develop their literacy, numeracy and other skills whilst they attend our school. The curriculum areas are as follows:

- Expressive arts
- Languages and literacy
- Health and wellbeing
- Mathematics and numeracy
- Religious and moral education
- Science
- Social studies
- Technologies

If you want to know more about Curriculum for Excellence, please visit website www.curriculumforexcellence.gov.uk or www.parentzonescotland.gsi.gov.uk

Our learning and teaching activities are based on the outcomes and experiences in the guidelines that all schools have for Curriculum for Excellence.

Level	Stage
Early	The pre-school years and Primary 1 or later for some.
First	To the end of Primary 4, but earlier or later for some.
Second	To the end of Primary 7, but earlier or later for some

At Douglas Primary we aim to ensure that our curriculum is rich and varied.

Here are some examples of the teaching and learning that takes place in Douglas Primary School:

Spiritual, social, moral and cultural values (religious observance)

The Spiritual, Social, Moral and Cultural values fostered in the school are based on Christian principles but we aim to develop in each child sensitivity and understanding for the world's main cultures and religions. Through this it is hoped to produce children who are tolerant to ethical values of other creeds and of the commitment made by other people to their religion.

The main Christian Festivals are celebrated. Festivals of other religions are also part of the curriculum.

The Education (Scotland) Act of 1980 allows parents the right to withdraw their children from instruction in religious subjects and from any religious observance. This may be done in writing to the Head Teacher or by visiting the school to inform the Head Teacher. South Lanarkshire Policies have regard to national advice, and any pupil withdrawn from religious instruction or observance will not be disadvantaged with respect to secular instruction.

Parents may request that their children be permitted to be absent in order to celebrate recognised religious events. Advance notice should be provided to the school when children will be absent. Appropriate requests will be granted and the pupil noted as an authorised absentee in the register.

7) Assessment and tracking progress

Assessment plays a key role in planning for high quality, effective teaching and learning. It helps us to understand pupil progress and plan for their next steps in learning.

At Douglas Primary we use a variety of approaches to assess and track the progress of our pupils. Regular assessments are made by the teacher on a daily basis and these are mostly informal and based on teacher judgement. Pupils are also involved in assessing their own and the work of their peers. We call these types of assessments – formative.

Pupils will also participate in more formal assessments which are called, summative assessments. Included within the summative assessments is the new Scottish National Standardised Assessment (SNSA).

The information we gain from assessments informs a teacher's planning and ensures that pupils are progressing at the expected pace and remain challenged through their work. Teachers use assessment information to confirm their own judgements of how well pupils are doing in their learning. If assessments show gaps in the learning of individual or groups of pupils, future lessons are modified to ensure appropriate reinforcement and additional support is provided when required.

At Douglas Primary, we track the progress of our pupils in order to ensure they are progressing at their expected pace. We use tracking information to record where pupils are working within each of the Curriculum for Excellence levels. This allows us to see what pupils have covered and what has still to be taught in order to achieve a level, it also allows us to identify pupils that require additional support or challenge within their learning.

8) Reporting

Reporting will be ongoing and comprise of a range of activities which can include children presenting their learning, newsletters, and ongoing discussions.

We will provide parents with reports so that you can see what your child is doing and how they are progressing. In addition, there will be parents' meetings which offer you the opportunity to discuss how your child's progressing and how you can contact the school if you wish further information. The school will offer you an appointment time so that you can visit in person to discuss your child's education.

Our 'learner reports' will help you to get to know more about the curriculum which each child follows and will describe their strengths, achievements and areas for development so you know what encouragement and support you can give.

We welcome any comments or additional information from parents to help us provide the best possible education for your child.

9) Transitions

Pupils normally transfer from primary to secondary school between the ages of 11½ and 12½, so that they will have the opportunity to complete at least 4 years of secondary education. Arrangements are made by the school to transfer children to the associated secondary school as determined by their home address. Parents of P7 children will be informed of the transfer arrangements made for their child to attend secondary school.

We will also provide you with information at this time and on events designed to support P7 children before they move on to secondary school.

Change of School/Placing Request

Normally children attend the school in their catchment area. However, there are times when parents may wish their children to go to other schools. If you wish your child to go to another school then you may make what is known as a 'placing request'. If you live in South Lanarkshire and decide to submit a 'placing request', we are unable to reserve a place in your catchment school until the Council have made a decision on the 'placing request'. Please note if your 'placing request' application is unsuccessful and all places at your catchment school are filled you will be offered a place at the next nearest appropriate South Lanarkshire School.

Please note that if an application for a 'placing request' is successful then school transport is not provided.

If you move outwith your catchment primary school a 'request to remain form' must be completed. If you move outwith your catchment primary, this may affect your right to transfer to the associated Secondary School. Please note the secondary school is determined by the pupil's permanent home address and chosen denomination. If you require further information, please contact Education Support Services on edsuppserv.help@southlanarkshire.gov.uk or **0303 123 1023**.

10) Support for Pupils

Getting it right for every child.

Getting it right for every child (GIRFEC) supports families by making sure children and young people can receive the right help, at the right time, from the right people. The aim is to help them to grow up feeling loved, safe and respected so that they can realise their full potential.

Most children and young people get all the help and support they need from their parent(s), wider family and community but sometimes, perhaps unexpectedly, they may need a bit of extra help. GIRFEC is a way for families to work in partnership with people who can support them, such as teachers.

If you have any concerns about your child's wellbeing, you can speak to the named person who will work with you to provide support and decide how to move forward. Your school will let you know who this is. It is likely to be the Head Teacher in a primary school and a principal teacher (pupil support) in Secondary.

More information can be found on:

www.scotland.gov.uk/gettingitright

Support for All (Additional Support Needs)

A statement of the school policy in relation to pupils with additional support needs, including the assistance given to pupils experiencing learning difficulties who do not have a co-ordinated support plan should be given.

The range of additional support for learning catered for, and the specialist services provided along with details on unit(s) and/or class(es) that the school offers.

The number of pupils who have a co-ordinated support plan should be shown. (Where the number of pupils who have a co-ordinated support plan is between 1-4 inclusive, it should not be published in the school handbook).

South Lanarkshire Education Resources have published a series of leaflets available which cover information for parents and carers about the Additional Support for Learning Acts.

In keeping with duties set out in the Education (Additional Support for Learning) (Scotland) Act 2004 (as amended) the guidance states that handbooks should specifically mention Enquire, the Scottish advice service for additional support for learning.

Enquire is funded by the Scottish Government to provide information on the framework for supporting children who require additional support for learning and to encourage positive partnerships between families, schools and local authorities to ensure children get the right support.

Enquire – the Scottish advice service for additional support for learning

Enquire offers independent, confidential advice and information on additional support for learning through:

Attachment Strategy for Education Resources

Attachment – what we do to support children and young people

South Lanarkshire Council Education Resources is committed to improving outcomes for children and young people by creating emotionally supportive learning experiences in our nurseries and schools.

The Education Resources Attachment Strategy supports the action in the 'Getting it Right for Every Child in South Lanarkshire's Children Services Plan 2021-23', following the launch of the Attachment Strategy in 2020, to provide staff training in Attachment and Trauma based practice.

What does it set out to do?

The aim of the strategy is to promote better experiences of attachment for South Lanarkshire's children and young people and to ensure that all education practitioners understand the importance of attachment theory and its application and how positive relationships can make a difference to outcomes.

How can I find out more?

South Lanarkshire Council Education Resources have published a series of leaflets and posters for establishments and for parents/carers which aim to share information on attachment theory and on how this informs the ways in which we support children and young people.

These are available in schools and on the SLC Staff Learning Centre Sway accessible by teachers and staff.

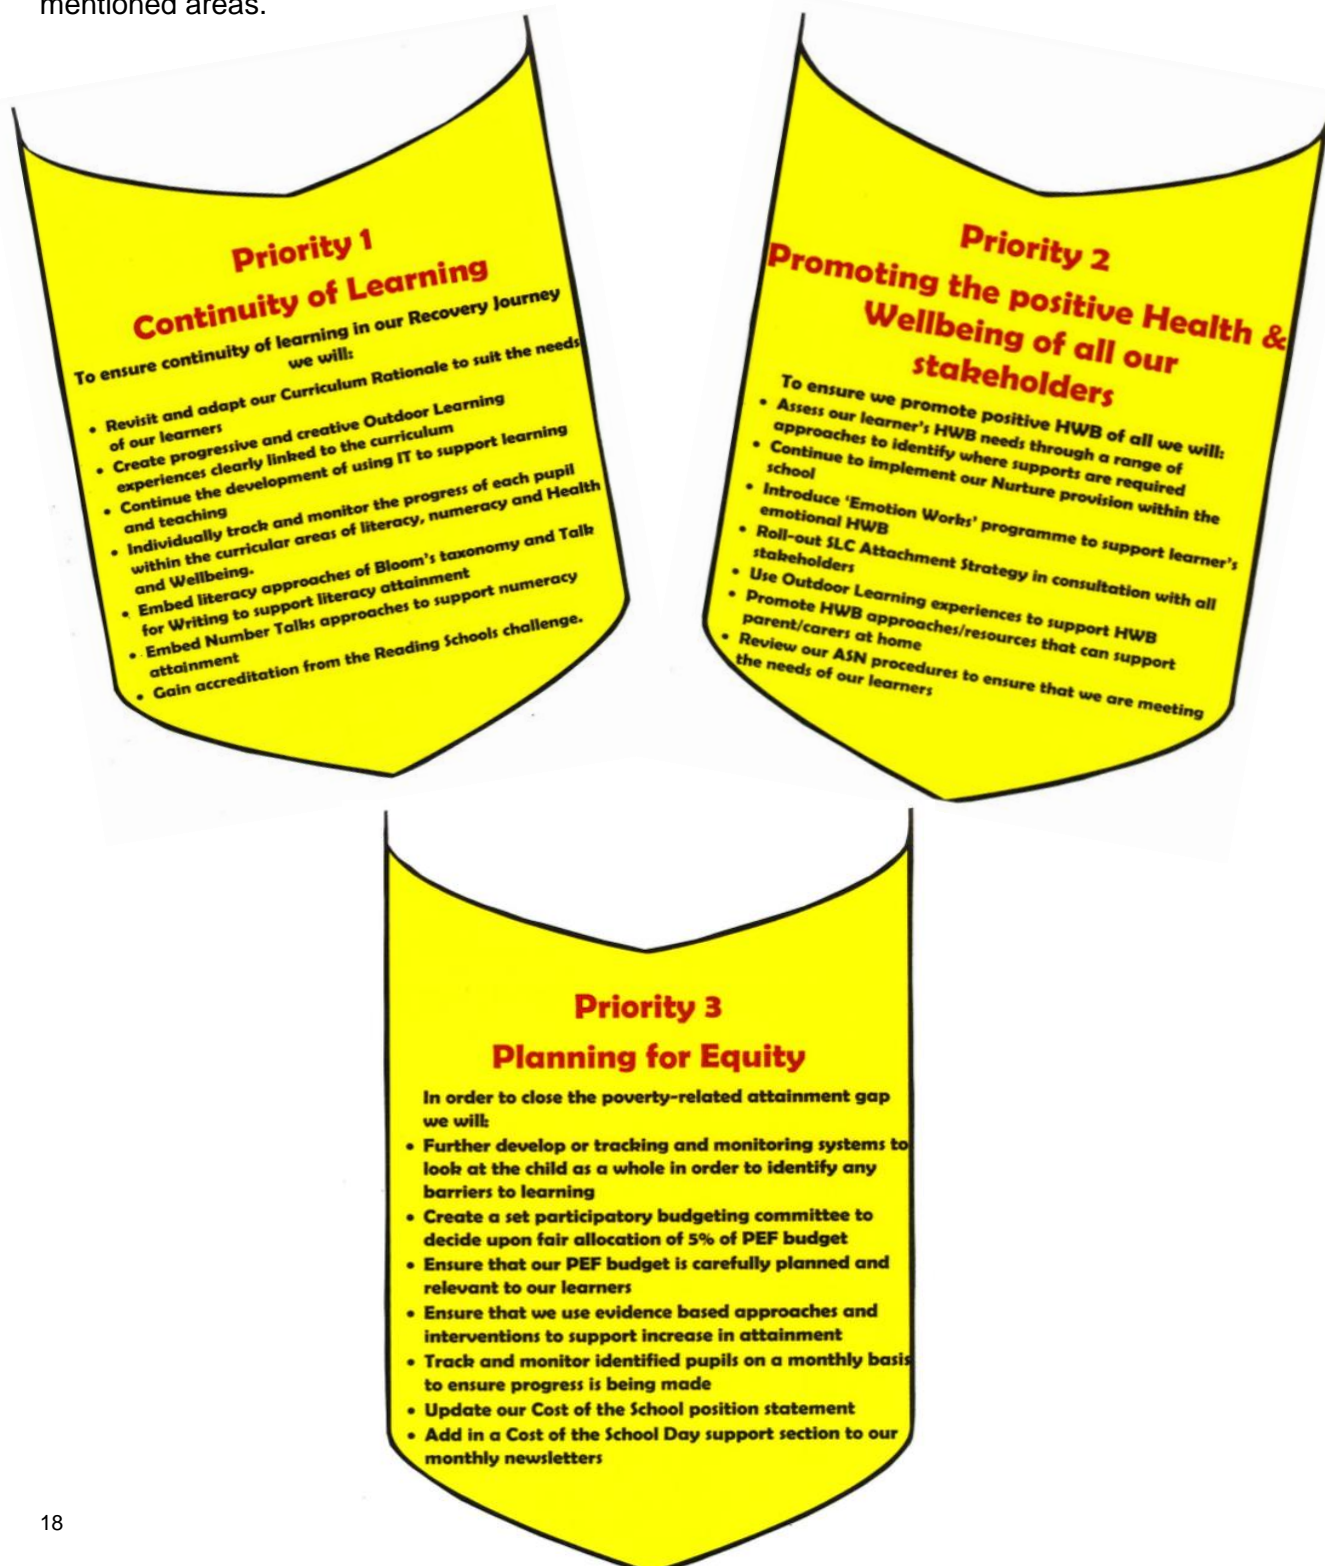

11) School Improvement

Every year we publish a Standards and Quality Report which reflects our improvement journey for the session. This is made available to you on our website at http://www.douglas-pri.s-lanark.sch.uk/douglas_ourschool_87_109704533.pdf or you can ask for a paper copy if you wish.

Our current Recovery School Improvement Planning focuses on the following 3 areas;

- Continuity of Learning
- Promoting Positive Health and Wellbeing of children, young people, parents/carers and staff
- Planning for Equity

Please see the illustrations below for our key improvement priorities within each of the above mentioned areas.

12) School policies and practical information

Nursery

All children attending a local authority nursery will be provided with a free lunch. In addition, if your child attends long mornings or afternoons e.g., over 4 hours 30 minutes they will be provided with a 'brunch' or 'afternoon tea'.

Nursery lunches and snacks are based on nutritional requirements from the NHS "Setting the Table" guidance.

Nursery age children will also receive milk and a healthy snack free of charge under the Milk and Healthy Snack scheme 2021. This will be provided by the establishment

Healthy eating is something that the school supports and a range of meals are available at lunchtime that meet the Nutritional Requirements for Food and Drink in Schools (Scotland) Regulations 2020

All primary aged pupils are also offered a free breakfast within their school. The selection available includes cereal, toast, fruit and milk.

For their lunch each day pupils have the option to choose from two hot meal options, a snack option plus a vegan / vegetarian option. These are all served with vegetables or side salad. All **meals** also come with fresh chilled drinking water, salad, seasonal fruit and depending on the day - soup or a dessert.

Milk will be available for those pupils entitled to free school meals through the free school meal eligibility scheme at morning break or lunchtime.

Pupils in:

- Primary 1 - 4 receive a free school lunch.
- Primary 5 - 7 meal cost is £1.95

In January 2022 Primary 5 pupils will also receive a free lunch and by August 2022 all primary school pupils will be eligible for a free lunch.

School lunches and milk can be paid for through your Parentpay account or Paypoint facilities in local shops.

Free School Meals

Children of parents who receive the following benefits are entitled to a free lunchtime meal for their child

- Income Support, Universal Credit (where your take home pay is less than £610 per month), Job Seeker's Allowance (income based), Employment and Support Allowance (income related), Working Tax Credit and Child Tax Credit (where your gross annual income does not exceed £7,330 as assessed by the HM Revenues and Customs), Child Tax Credit Only (where your gross annual income does not exceed £16,105 as assessed by the HM Revenues and Customs) or receive support under Part VI of the Immigration and Asylum Act 1999.

If you are in receipt of Housing Benefit and/or Council Tax Reduction from us there is no need for you to apply online, we will use the information we hold to automatically award free school meals (P4 to S6) and/or school clothing grants (P1 to S6) to eligible families.

We would encourage parents of children who are in receipt of any of the above benefits to take up this opportunity of having a meal provided for their child when they are at school. Arrangements are in place so that children who receive free meals are not singled out and we encourage all children to remain in school at lunch time.

South Lanarkshire Council also offers a free Breakfast service. Check your child's school for details:- the service runs from 8.15am to 8.45am each school day.

School uniform

We ask all parents/carers to support the school by encouraging your child(ren) to adhere to the agreed dress code and the wearing of our school uniform. The wearing of a school uniform helps promote the identity of the school in the local community and helps create an ethos of sharing and pride in the school.

In addition, the wearing of a uniform helps towards increasing the protection of all pupils. The wearing of a uniform helps staff and the pupils to distinguish between who belongs to the school and those who may be visitors. This enables staff to approach and identify visitors more readily and helps in trying to offer a safer environment for pupils and teachers alike.

Equality of opportunity is an important aspect of the life of the school. Any proposals on the dress code and on what constitutes the school uniform will be the subject of discussion with the Parent Council and where appropriate consultation with parents, pupils and staff.

There are forms of dress which are unacceptable in all schools such as:

- the wearing of football colours
- clothing with slogans that may cause offence (anti-religious, symbolism or political slogans)
- clothing which advertises alcohol, tobacco or drugs
- clothing which can be deemed unsuitable in terms of health and safety grounds such as shell suits, combat style clothing, dangling earrings, loose fitting clothes particularly in practical classes
- articles of clothing that could be deemed to inflict damage on other pupils or be used by others to do so
- footwear that may damage flooring.

Allergies

A significant number of children and young people in our schools will have allergies and it is important that parents keep the school fully informed on these matters.

Allergies can present in a variety of ways and can occur at any point in a person's life. Symptoms range from mild to severe. Children and young people known to have an allergy with moderate to severe symptoms will likely have a Health Care Plan drawn up by the NHS. This will detail symptoms and appropriate interventions.

It is vital that parents share this information with the school and continue to provide any updated information.

Where symptoms are mild and a Health Care Plan is not in place, parents should still continue to liaise regularly with the school on any new triggers, medications and actions required.

In all cases, our employees need to know your child's symptoms, treatments and any actions required to help prevent exposure to the allergen and minimise the risk of allergic reactions.

Employees in schools will receive training on allergies and will liaise with parents and NHS on any additional specialist training required.

In supporting children and young people with allergies, school employees will operate in accordance with South Lanarkshire Council's Safe Systems of Work / risk assessment and national guidance on the administration of medicines.

Support for parent/carers

Clothing grant

In certain circumstances the Council provides support to parents/carers for the purchase of school wear.

Applications can be made online at www.southlanarkshire.gov.uk. If you are required to submit evidence of your Tax Credit income it is important that a copy of this evidence is attached to your online application. Should you require further information or you are unable to submit an application online then please contact the helpline number **0303 123 1011** (option 5).

School hours/holiday dates

P1 - P7 children	9.00am – 3.00pm daily
Interval	10.30-10.45am daily
Lunch	12.15-1.00pm daily
Nursery session	8.45am – 2.45pm daily

Please see list showing school holiday dates on page 29.

Enrolment – how to register your child for school

To register your child for school you should complete our online registration form. This can be done using the South Lanarkshire website.

www.southlanarkshire.gov.uk/info/200186/primary_school_information/392/enrolling_your_child_for_school If you have any difficulty in identifying your catchment school, please email Edsuppserv.helpline@southlanarkshire.gov.uk

The online registration form will ask you to provide each child's full birth certificate and two pieces of recent official documentation both containing your permanent home address for example a utility bill, council tax statement, housing rent card, child benefit documentation. Proof of where the child lives may also be needed.

If your child attends nursery of your catchment school don't assume that they will be automatically transferred. You must register them as normal.

If your child is starting school for the first time you must enrol your child at their catchment school in January. If parents want their child to go to another school, they must enrol in the first instance with their catchment school and ask for an information leaflet that provides details on how to make a placing request. An online placing request form is available from the SLC website – www.southlanarkshire.gov.uk or by contacting edsuppserv.helpline@southlanarkshire.gov.uk or phone **0303 123 1023**.

Enrolment date for 2022 is week commencing 17 January 2022.

Transport

School transport

South Lanarkshire Council has a policy of providing school transport to primary pupils who live more than one mile by the recognised shortest walking route from their catchment school. This

policy is more generous than the law requires. This means that the provision of transport could be reviewed at any time. Parents who consider they are eligible should complete a online www.southlanarkshire.gov.uk or contact **0303 123 1023**. These forms should be completed and returned before the end of March for those pupils starting the school in August to enable the appropriate arrangements to be made. Applications may be submitted at any time throughout the year and will be considered by Education Resources.

A privilege transport scheme is operated for mainstream school contracts where a pupil is not entitled to free school transport. Privilege transport will only be granted providing there is spare capacity on an existing school contract and will be from and to designated pick up and drop off points. Privilege transport will not be provided where a service bus is used on the school run. Any spare capacity will be allocated using agreed priorities. More information on school transport is available www.southlanarkshire.gov.uk/info/200188/secondary_school_information/545/school_transport or phone **0303 123 1023**.

Pick-up points

Where school transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point. Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's distance limit for school transport.

It should be noted that it is the parent's responsibility to ensure their child behaves in a safe and acceptable manner while travelling in and alighting from the vehicle. Misbehaviour can result in your child losing the right to school transport.

Parents are asked to note that South Lanarkshire Council does not provide transport for those pupils who attend school via a placing request.

Insurance for schools – pupils’ personal effects

South Lanarkshire Council is concerned at the level of claims being received for loss or damage to pupils’ clothing or personal effects. Parents are asked to note the Council’s position in terms of insurance for pupils’ personal effects:

(i) Theft/loss of personal effects

The Council is not liable for the loss or theft of pupils’ clothing or personal effects for example mobile phones, tablets etc. and any items are therefore brought into the school at the pupil/parents’ own risk.

Parents can assist by ensuring that valuable items and unnecessarily expensive items of clothing are not brought to school.

Teachers and other staff have been advised not to accept custody of any such items.

The same principle applies to musical instruments and other equipment used for activities within the school, which belong to the pupil, but are brought into the school. Parents should be aware that if such equipment is left in school, it is done at the pupil/parents’ own risk.

In the case of valuable items such as musical instruments, parents should ensure that these items are covered by their own household insurance.

(ii) Damage to clothing

The Council is only liable for damage caused to pupils’ clothing where the damage has resulted from the negligence of the Council or one of its employees. Claims arising otherwise will not be accepted by the Council’s insurers.

Family holidays during term time

Every effort should be made to ensure that your child attends school during term time. Please contact the school as soon as possible if your child is unable to attend school.

Family holidays should be avoided during term time as this both disrupts the child’s education and reduces learning time. If holidays are taken during times when the school is open parents should inform the school in advance by letter.

If your child is taken on a family holiday during term time then in line with Scottish Government advice this will be classified as an unauthorised absence. However, in exceptional circumstances schools may register a family holiday during term time as an authorised absence when for example, parents are unable to obtain leave during the school holiday period.

Clearly, absence with no explanation from parents will mean that the absence will be recorded as unauthorised.

In our approach to raising attainment and achievement it is recognised that attendance at school is something that should be continuously encouraged. Parents/carers, children and the school all have a part to play in encouraging and stressing the importance of attendance at school.

The school holiday dates and in-service dates are available from the website www.southlanarkshire.gov.uk

Promoting positive behaviour

It is the responsibility of staff within the school to ensure that parent council members, parents and pupils are involved in the creation of a positive school ethos that encourages good behaviour. Equally, the school whilst trying to promote positive behaviour must support young people should incidents or bullying occur. Parents have a significant role to play in working with the school so that teachers, parents and pupils know what is expected of them in trying to change the behaviour and attitudes that contribute to bullying behaviour.

Our approach is to create an environment where better behaviour will encourage better learning. The school, along with the support of parents, can work together to create a learning environment which young people can enjoy and feel safe.

Incidents of bullying should be reported to the school immediately so that each alleged incident can be looked at. Together we can work towards creating a safer school for children and staff.

In addition, a guideline (Promoting Positive Relationships and Behaviour) has been produced to support all teaching and support staff and inform them of their roles and responsibilities in respect of dealing with the small number of children and young people who display challenging behaviour. Early identification is crucial so that intervention can be provided to support children and young people to help them address their issues and concerns. Staff training is provided to help develop the skills needed to respond to and manage challenging behaviour. A wide range of appropriate staff development opportunities has been developed for this purpose.

Child Protection

All staff in educational establishments in South Lanarkshire Council receive an annual Child Protection update and are required to follow the advice and guidance contained within relevant Education Operating Procedures. They must also complete a mandatory Learn on Line Course "Child Protection in Education".

South Lanarkshire's children's services partnership works together to support children, young people and their families so that children grow up in communities where they are safe, healthy, active, achieving, respected, responsible and included, and have the opportunity to achieve their full potential. They are committed to continuously improve our services to ensure children, young people and their families get the right support at the right time.

Sometimes children and young people need additional help to make sure that they are "*cared for and protected from abuse and harm in a safe environment in which their rights are respected*" (CPC South Lanarkshire Child Protection shared vision). The Child Protection Committee has the overarching responsibility to ensure that agencies individually and collectively work to protect children and young people as effectively as possible.

All staff have a responsibility to report any suspicions that a child has been abused or is at risk of harm, abuse, or neglect. Robust procedures and guidance are in place to support education staff to: -

- be alert to signs that a child may be experiencing risks to their wellbeing,
- report concerns to the head of establishment or the child protection coordinator without delay.
- be actively engaged in support and protection and development of wellbeing.

If you would like more information or have a concern of a child protection nature, please contact the head of the educational establishment which your child attends.

The Child Protection Committee's website has a range of useful information for parents/carers to help them keep their children safe. www.childprotectionsouthlanarkshire.org.uk

Information on emergencies

We make every effort to ensure the school remains open during term-time for pupils. However, on occasions circumstances may arise which can affect the school. Schools may be affected by, for example, severe weather, power failures or through any other circumstances that may impact on the school day. In such cases we shall do all we can to let you know if this happens. We shall keep you in touch by telephone, text, where appropriate, letters, web news and through local radio stations particularly if there are prolonged periods of severe weather. The Council's website www.southlanarkshire.gov.uk will be used to let you know if the school is closed and when it will re-open.

It is important for parents/carers to let the school know of any change to your mobile/home telephone number and change of address.

If for any reason, you are unsure if the school is open visit the website www.southlanarkshire.gov.uk or email education@southlanarkshire.gov.uk

Your commitments

We ask that you:

- support and encourage your child's learning
- respect and adhere to the schools policies and guidance
- let the school know if you change your mobile/telephone number and/or address
- enjoy and take part in school activities
- accept your responsibility to respect staff who work in the school and for the school to be proactive in taking forward it's commitment to care for and educate your child.

General Data Protection Regulation as supplemented by the Data Protection Act 2018 (GDPR)

Information on pupils, parents and guardians is held by the school to enable the teaching, registration and assessment of pupils as well as associated administrative duties. The information is stored and used as per the requirements of the GDPR, with South Lanarkshire Council defined as the data controller. The Council have established a data protection policy that applies to all of its school.

Education Resources has also prepared a privacy notice (below) which sets out how we will deal with personal information as part of our statutory function as an education authority. For more information please contact the school.

Privacy Notice

Introduction

In line with the General Data Protection Regulation (GDPR) we have produced this privacy notice to inform you how we deal with personal information as part of our statutory function as an education authority.

The Council has a legal obligation to deliver effective education services to children, young people and adult learners in South Lanarkshire. In order to do this we need to collect personal information about children, young people and their families so that we can help them to learn and keep them safe.

Using your personal information

The Council is a “controller” of the personal information you provide when enrolling for a nursery or school, applying for an education service or participating in groups or activities provided by Education Resources.

Information we collect from you about you and your child at enrolment

When you enrol for a nursery or school, we ask for the following information:

- parent/carer contact details (name, address, phone, email);
- the child’s name, date of birth, gender and address;
- information about medical conditions, additional support needs, religion and ethnicity;
- any information you may wish to provide about family circumstances.

Information we collect at other times

We will also collect information at other times such as when you apply for a benefit, request a services or other support. We will provide an additional privacy notice at these times.

- If you apply for an education service or benefit, such as school transport, free school meals, clothing grant, placing request or EMA, we will also ask for personal information as set out above. We will also ask for information about your income for education benefits applications.
- If you make a request for additional support such as an educational psychologist or other support for learning we will ask for more detailed information to allow us to provide the most appropriate support for your family. This may include information about family circumstances or medical conditions.
- If there are concerns about your child’s wellbeing and/or your child has needs that may require additional support, we will wish to work with you to collect and consider information

to enable us to help you get the right support at the right time in line with the Getting it right for every child approach.

We require this information to ensure that children and young people are educated appropriately, supported, and that we take account of their health and wellbeing. We will also ask you to update this information annually and to tell us when there are changes to your details.

Information that we collect from other sources

As an education authority and as part of our statutory function in accordance with our legal obligations, we receive information from other sources such as the SQA, the NHS or Social Work about you or your child, this includes:

- exam results and assessment information;
- information about health, wellbeing or child protection.

Why do we need this information?

We need this information so the Council can ensure it is delivering education services appropriately to all learners:

- for the education of children, young people and adult learners;
- for teaching, enrolment and assessment purposes and to monitor the educational progress of children, young people and adult learners ;
- to keep children and young people safe and provide guidance services in school;
- to identify where additional support is needed to help children, young people and adult learners with their learning;
- to maintain records of attendance, absence and behaviour of children and young people (including exclusions);
- to support children and young people moving on each year from nursery to primary, primary to secondary and when they move or leave school;
- to help us develop and improve education services provided for young people, adult learners or families
- In accordance with our legitimate interests as an education authority we will also use your information to create statistical reports.

We will share your information with:

As an education authority and as part of our statutory function in accordance with our legal obligations we will share information with other bodies or parts of the Council, including:

- The Scottish Government and bodies such as Education Scotland, Scottish Qualifications Authority, Skills Development Scotland and other organisations that support children and young people's learning;
- Other parts of the Council when required for services such as school meals, school transport, education benefits and with Social work in connection with any child protection concerns we become aware of;
- The NHS, to support health initiatives in accordance with the legal obligation on the Council in terms of section 39(3) of the National Health Service (Scotland Act 1978);
- South Lanarkshire Leisure and Culture Limited, where children and young people are participating in sports and leisure activities;
- Other schools/local authorities – if a child moves or transfers to another school the Council has an obligation to pass on information with regards to pupil records to the new school/local authority.

You have the right to access your personal information as well as the rights of rectification, erasure, restriction and the right to object. For information on these rights and how to exercise them or for information about how we manage your personal information, you can get a copy of our full privacy notice from our website:

https://www.southlanarkshire.gov.uk/info/200235/meta/1730/general_privacy).

Our full privacy notice will also provide information on how to make a complaint or to request a paper copy of the privacy notice from the Data Protection Officer.
